Cottage Cheese Protein Omelette

Serves 1

2 large eggs, beaten
¼ tsp. salt, divided
¼ tsp. black pepper, divided
2.5 oz. (70g) cottage cheese
1 tsp. Italian herbs
2 tsp. butter
1 oz. (30g) baby spinach
1 small garlic clove, peeled & crushed
2 tsp. olive oil
2 tbsp. Parmesan cheese, freshly grated
1 tbsp. green onion, sliced

What you need to do

Crack the eggs into a small bowl, beat until well combined and season with a pinch of salt and pepper. Set aside.

In another bowl, combine the cottage cheese with the Italian herbs and remaining salt & pepper. Set aside.

Heat a non-stick skillet over medium heat and add the butter. Once the butter is hot, add the spinach and garlic. Stir-fry the spinach for 1-2 minutes until it wilts. Then remove from the pan and set aside.

Return the skillet to medium heat and add the olive oil. Reduce the heat to medium-low and pour in the beaten eggs, tilting the pan to ensure the egg mixture spreads evenly across the base.

As the edges of the omelet start to set, gently lift them with a spatula to allow the uncooked eggs from the middle to run underneath and cook.

Once the center of the omelet starts to set, sprinkle the freshly grated Parmesan cheese, then top with the cooked spinach and the seasoned cottage cheese mixture.

Fold the omelet in half, reduce the heat to low, and continue cooking for a few minutes.

Gently slide the omelet onto a plate, top with the sliced green onions and serve.

Sheet Pan Beef Tenderloin & Vegetables

Serves 6

What you need to do

For the beef tenderloin:

- 2 lbs. (900g) beef tenderloin trimmed & tied
- 1 tbsp. olive oil
- 2 tsp. salt
- 1 tsp. freshly ground black pepper

For the potatoes:

- 1 lb. (450g) baby potatoes, halved
- 1 tbsp. olive oil
- 1 tsp. garlic powder
- ½ tsp. dried thyme
- ½ tsp. salt

For the roasted mushrooms:

- 1 lb. cremini mushrooms
- 2 tsp. olive oil
- ½ tsp. salt

Preheat the oven to 400°F (200°C).

Pat the beef tenderloin dry using a paper towel, rub the exterior of the beef with olive oil and sprinkle over the salt and pepper. Place the prepared beef on a baking sheet.

In a large bowl, combine the potatoes, olive oil, garlic powder, thyme, and salt. Toss everything together until the potatoes are coated evenly.

Transfer the potato mixture to the baking sheet with the beef. Ensure that all the potatoes are placed cut-side down. Place the baking sheet into the hot oven and roast for approximately 15 minutes.

Juicy Skillet Pork Chops

Serves 2

4x 7 oz. (200g) pork chops
salt, to taste
1 tbsp. all-purpose flour
1 tsp. chili powder
1 tsp. garlic powder
1 tsp. onion powder
½ tsp. smoked paprika
½ tsp. black pepper
1 tbsp. olive oil
8 fl oz. (240ml) low-sodium chicken broth
1 tbsp. apple cider vinegar
2 tsp. honey
1 tbsp. butter
2 tbsp. chopped fresh parsley, optional

What you need to do

Remove the pork chops from the refrigerator, season both sides with a pinch of salt and set aside to rest for 30 minutes.

In a small bowl, combine the flour, chili powder, garlic powder, onion powder, smoked paprika and black pepper to create a spice rub.

After the pork has rested for 30 minutes, pat the pork chops dry using a paper towel and rub both sides of the chops with the spice rub.

Heat the olive oil in a skillet (with a lid) over medium-high heat. When the oil is hot and shimmering, add the pork chops and cook for 2-3 minutes, or until they become golden.

Flip the chops over and reduce the heat to low, cover the skillet with a lid and cook for 6-12 minutes, or until the chops have cooked through. Transfer the cooked pork chops to a plate, loosely cover with aluminum foil, and set aside to rest for 5 minutes.

In the meantime, prepare the sauce. Increase the heat to medium-high and add the chicken broth, apple cider vinegar and honey to the skillet. Use a wooden spoon to scrape the bottom of the pan to release any stuck pieces of pork.

Bring the sauce to a simmer and cook until it reduces by half. Remove the skillet from heat and once the sauce is no longer simmering, swirl in the butter.

Return the pork chops to the skillet and spoon over the sauce. Scatter the fresh parsley over the pork chops and serve.

Chinese Chicken Noodle Soup

Serves 4

4x 4.8 oz. (135g) bone-in, skin-on chicken thighs
 8 shiitake mushrooms
 3 pt. (1.4ltr) water
 2 tbsp. rice wine vinegar
 4 slices ginger
 2 green onions, sliced, separate the white & green parts
 2 tsp. light soy sauce
 ½ tsp. salt
 ⅛ tsp. ground white pepper
 ¼ tsp. sesame oil
 8 oz. (225g) rice noodles
 2 heads bok choy

What you need to do

Place the chicken thighs, mushrooms and water into a large pot. Bring to a boil and, as it heats up, skim off any foam that rises to the surface.

Add rice wine vinegar, ginger and the white part of the green onions to the pot. Reduce the heat to its lowest setting and cover the pot with a lid. Let it gently simmer for approximately 30 minutes, or until the meat becomes very tender.

Once the chicken is cooked, transfer it to a plate and set aside to cool. Discard the ginger and green onions and add light soy sauce, salt, white pepper and sesame oil to the broth. Taste the broth and adjust the seasoning if necessary.

Once the chicken is cool enough to handle, remove the skin and shred the meat into bite-sized pieces.

In a separate pot, cook the noodles according to instructions on packaging, add the bok choy for the final 20-30 seconds of the cook to quickly blanch.

Drain the cooked noodles and bok choy. Divide them evenly between 4 serving bowls. Pour the prepared broth and mushrooms over the noodles and bok choy. Top each bowl with the shredded chicken and the green part of the onions. Serve immediately.

Spiced Cod Stew

Serves 2

- 1 tbsp. coconut oil
- 4 spring onions, finely sliced
- 2 tsp. cumin seeds
- 1.1 lbs. (500g) cod fillet, skinned & chopped into large 3cm chunks
- ½ zucchini, cut into thin half-moons
- 8.8 oz. (250g) cherry tomatoes, halved
- 2 tbsp. tomato puree

What you need to do

In a large frying pan, melt the coconut oil over medium to high heat. Add the sliced spring onions and cumin seeds. Sauté for about a minute.

Add the chunks of cod, zucchini, and cherry tomatoes. Stir and cook for 2 minutes, turning the ingredients to ensure even cooking.

Stir in the tomato puree and sprinkle in the dried chili flakes, cayenne pepper, along with a pinch of salt and black pepper. Toss all the ingredients together and cook for an additional minute.

Pour in 150ml of water and mix well, then reduce the heat to medium. Cover the pan with a lid and allow the ingredients to cook for 3-5 minutes, or until the cod is fully cooked. Serve the spiced cod stew, garnished with pine nuts, and squeeze lemon juice over the top.

Lemon Blueberry Yoghurt Cake

Serves 12

11.2 oz. (330g) white whole wheat flour
1½ tsp. baking powder
¾ tsp. baking soda
½ tsp. salt
3 tbsp. freshly grated lemon zest
1 tbsp. coconut oil, melted
3 egg whites, room temperature
1 tbsp. vanilla extract
1 tsp. stevia
6.3 oz. (180g) non-fat Greek yogurt
4 fl oz. (120ml) freshly squeezed lemon juice
5 fl oz. (150ml) unsweetened almond milk
7.4 oz. (210g) blueberries

Hazelnut Energy Balls

Serves 8 energy balls

What you need to do

4.8 oz. (135g) hazelnuts
 1 oz. (30g) 85% dark chocolate
 1 tbsp. coconut oil
 8 medjool dates, pitted
 1 tsp. vanilla extract

Preheat the oven to 320°F (160°C). Line a baking sheet with parchment paper.

Lay the hazelnuts on the baking sheet and place in the hot oven for 10 minutes, until fragrant and roasted. Remove from the oven, and set aside to cool for 5 minutes.
